Annual Fund: As a non-profit, independent school, Monica Ros receives no financial support from local or federal taxes – we rely on tuition dollars, endowment income, and fundraising to support our operations. Monica Ros School is committed to making this extraordinary experience available to a wide variety of families, so we keep our tuition as low as we are able and offer tuition reduction for those who qualify.

Beyond closing the gap between tuition and the cost to educate each student (between \$1,700-\$3,000 per student), the annual fund provides an important vehicle for the community to support the Monica Ros School Mission. The strength of Monica Ros and its programs is a direct result of the collective effort of alumni, parents, faculty, staff and friends who participate every year in the Annual Fund.

As you budget expenses for the coming year, please include an Annual Fund donation in your plans.

All donations are tax-deductible and set the stage for a lifetime of learning and discovery!

Any duly authorized officer, employee or agent of the Department of Social Services may inspect Monica Ros School at any time with or without advance notice.
