Annual Fund: As a non-profit, independent school, Monica Ros receives no financial support from local or federal taxes – we rely on tuition dollars, endowment income and fundraising to support our operations. Tuition covers approximately 80% of our annual costs, the rest we fundraise for. Beyond closing the gap between tuition and the cost to educate each student (between \$1,700-\$3,000 per student), the annual fund provides an important vehicle for the community to support the Monica Ros School Mission. The strength of Monica Ros and its programs is a direct result of the collective effort of alumni, parents, faculty, staff and friends who participate every year in the Annual Fund.

As you budget expenses for the coming year, please include an Annual Fund donation in your plans.

All donations are tax-deductible and set the stage for a lifetime of learning and discovery!
