

MONICA ROS SUMMER CAMP

June 21 – July 30, 2021

8:30 AM – 2:00 PM Camp Day- STAGGERED SCHEDULE*

783 McNell Road, Ojai, CA 93023

www.monicaros.org | 805-646-8184 | office@monicaros.org

Monica Ros School is excited to offer six weeks of Summer Camp to all Monica Ros students who are three years old and potty-independent, up through those entering 4th grade this fall. Campers will be separated into stable cohorts to allow for the most secure and comfortable range of exploration and safety for them. Campers pack a mask, snack/lunch and water bottle from home. Sunscreen is applied at home before camp and can be reapplied at lunch per parent instructions. Surfaces and toys will be disinfected multiple times per day and all precautions will be made to stay healthy. More Monica Ros COVID protocols can be found here: monicaros.org/about/covid. Sign Ups are by email only and timestamped for limited spots!

“S.T.E.A.M.”

First Week: June 21- June 25

Tackling creativity in our modern world. Science, Technology, Engineering, Arts and Math. We will host a variety of STEAM projects, games and challenges. Activities to stimulate the mind and spark curiosity. Fun for all ages and appealing to the budding mathematician in us all.

“Music in the Mountains”

Second Week: June 28- July 2

Drums, noisemaking and songs to tame the wildest beast! This week we will learn what makes music so universally special. We will enjoy making music with our own recycled instruments and with the oldest instrument of all- the body. In doing so, we will learn the rhythms of nature and ourselves.

“Artistic Adventures”

Third Week: July 5- July 9

Get ready to get messy! Please dress your child accordingly, parents. This is the week for your children to paint, sculpt and design with unabashed creativity. Prepare yourselves for a bag full of creations by the end of these five days. We will have an adventure!

“Magical Creatures”

Fourth Week: July 12- July 16

This week we look forward to expanding our imaginations and discovering the difference between a manticore and a hippogriff. What makes a unicorn so special? We also can't wait to create our very own magical creatures! Prepare yourselves to be blown away by the discoveries we will make.

“Playful Pets”

Fifth Week: July 19- July 23

We all know and love the critters we adopt into our families: cuddly kittens, playful puppies, tenacious turtles and bouncy birds! It will be hard to resist marching along in our pet parade, giggling at our stuffy animal zoo or dancing to our favorite songs. Mewow!

“Storytime Journeys”

Sixth Week: July 26- July 30

How do we tell a tale? How does one make a story special? We will take a deep dive into literature and discover why we love stories so much. Learn about genres, authors, how books are made and why books are the best! Children will try creative storytelling and together we will go on a journey.

MONICA ROS SUMMER CAMP 2021

Please return this form to register (even snapping a photo and emailing it in works fine!) to office@monicaros.org.
