Monica Ros School is excited to offer six weeks of Summer Camp to all students who are three years of age and potty-independent, up through those entering 4<sup>th</sup> grade this fall. Campers will be separated by age to allow for the most secure and comfortable range of exploration for them. Our kind, qualified staff are Monica Ros School employees with years of experience. Each week of camp includes water play, outdoor exploration and creative activities. Campers pack a snack/lunch and water bottle from home, sunscreen is applied at home before camp and students get a . [Sign Ups are by email only and timestamped for limited spots!](#)

## **“Superheroes!”**

### **First Week: June 27- July 1**

Starting strong this summer, we will ask the important question: What is your superpower? Digging deep, pushing further through our origin stories- this week of camp will focus on all things EPIC! We will have campers design and create their superhero costumes, discover what an “everyday” hero looks like, find out if superheroes need friends and see if there are any mysteries that need solving...all in a week’s work.

## **“Amazing Animals”**

### **Second Week: July 5- July 8 (NO Camp for Monday, July 4th: Discounted \$300/wk. Due to holiday)**

Monica Ros campus has gone to the birds! And dogs, and cats, and turtles, and... This week of camp is full of everything animals. Campers may sculpt their favorite animal with clay, make a rock turtle to live in the garden, or write a story and paint a picture about animal friends.

## **“Artistic Adventures”**

### **Third Week: July 11- July 15**

Get ready to get messy! Please dress your child accordingly, parents. This is the week for your children to paint, sculpt and design with unabashed creativity. Prepare yourselves for a bag full of creations by the end of these five days. We will have an adventure!

## **“S.T.E.A.M.”**

### **Fourth Week: July 18- July 22**

Tackling creativity in our modern world. Science, Technology, Engineering, Arts and Math. We will host a variety of STEAM projects, games and challenges. Activities to stimulate the mind and spark curiosity. Fun for all ages and appealing to the budding mathematician in us all.

## **“Mythological Creatures”**

### **Fifth Week: July 25- July 29**

This week we look forward to expanding our imaginations and discovering the difference between a mantichore and a hippogriff. What makes a unicorn so special? We also can't wait to create our very own magical creatures! Prepare yourselves to be blown away by the discoveries we will make.

## **“Exploration & Space”**

### **Sixth Week: August 1- August 5**

Spaceships, rockets, motors and MORE! This is the week for the explorer in all of us. We will imagine what our planet holds, learn about constellations and amazing things near and far! Prepare to hear out of this world stories and see extraordinary art created by your very own student explorers!

## Our Summer Staff:

Your children probably know our Summer Camp staff as their extended family! Many of our teachers run a week or two of Summer Camp themselves! Other staff includes many of our beloved playground staff, assistant teachers, and substitute teachers. Your campers will also love spending time with the various school "counselors" who help with art projects, water play, and games throughout the camp day.

**COST: Camp is \$375/week. A second camper in a family is discounted to \$325/week.**

**PAYMENTS: Unenrolled Students:** Due in full before 1<sup>st</sup> day of camp by cash or check.

**Current Monica Ros Families:** FACTS accounts are charged upon receipt monthly.
